Makoto Yamagishi, Ph.D.

Associate Professor Laboratory of Viral Oncology and Genomics Department of Computational Biology and Medical Sciences Graduate School of Frontier Sciences The University of Tokyo

Education:

B.S. and M.S.: April 2000-March 2006, Tokyo University of Science, Faculty of Science and Graduate School of Science.

Ph.D.: April 2006 - March 2009, The University of Tokyo, Graduate school of Frontier Sciences, Department of Computational Biology and Medical Sciences

Jobs:

Project Researcher (2009 April - 2015 April) Laboratory of Tumor Cell Biology, Graduate School of Frontier Sciences, The University of Tokyo

• Project Research associate (2015 May – 2018 April) Laboratory of Tumor Cell Biology, Graduate School of Frontier Sciences, The University of Tokyo

• Project Lecturer (2018 May – 2022 March) Laboratory of Tumor Cell Biology, Graduate School of Frontier Sciences, The University of Tokyo

• Project Associate Professor (2022 April – 2023 March) Laboratory of Tumor Cell Biology, Graduate School of Frontier Sciences, The University of Tokyo

• Associate Professor (2023 April – present) Laboratory of Viral Oncology and Genomics, Graduate School of Frontier Sciences, The University of Tokyo

Honors & Awards:

Basic Science Award, International Retrovirology Association (IRVA) (2024)

• The Japanese Society of Hematology, Incentive Award (2017)

• Best Oral Award for the 18th International Conference on Human Retrovirology HTLV and Related Viruses (2017)

• Best Poster Award for the 18th International Conference on Human Retrovirology HTLV and Related Viruses (2017)

• American Association of Hematology (ASH) Abstract Achievement Award (2016)

• The Japanese Society of HTLV-1 and Associated Diseases, Young Investigator Award (2016)

• American Association of Hematology (ASH) Abstract Achievement Award (2015)

• Young Investigator Award for the 16th International Conference on Human Retrovirology HTLV and Related Viruses (2013)

• EHA Travel Award for JSH Young Hematologist (The Japanese Society of Hematology) (2013)

• Travel award at the Workshop on Viruses, Genes and Cancer in Venus, Italy (2010)
